	Net increase -	Rs. 1260—0

2. I. Seventy six per cent of cess on land Revenue - - - creditable

creditable to District Funds. 11

An increased income is anticipated under this head owing to the levy of one anna cess on the amounts realized by the sale of occupancy of cultivable lands as authorised by the new Land Revenue Rules.

3. VI Fees from third class Travellers Bang. ——

Owing to the conversion of the Dak Bungalows at Kaikenhatti, Varasarampur and Jagalur into third class Travellers Bungalows, an increase of Rs. 150/- is entered under this head. The estimate is based upon the actuals of the year 1900-901.

4. VII Contributions. ——

An increased provision of Rs. 500/- is shown under this head as contributions are expected from managers for excavation of new wells.

5. The budgetted revenue under the head III Fines for cattle trespass, is based on the actuals of 1900-1901. The prevalence of plague and deficient rainfall are likely to affect the revenue under this head.

Expenditure — 5

96. The expenditure under all items is estimated at Rs. 43227 which is less by Rs. 11896 over the budgetted expenditure of the year — 1901-902.

7. The items under which variations occur are shewn below:—

Net decrease — Rs. 11896.

8. A. Public works to be executed by the Public Works department

Under the head "B. I. Original" an allotment of Rs. 4000 only is made in the statement received from the Executive Engineer for the "Road from Anaji to Jagalur which under progress. The increase of Rs 500/- shown under the head B. II Repairs" is due solely to the provision made for repairing some of the 3rd class Travellers' Bangalows in the district which are said to be in urgent need of repair. The smaller provision under the head "Original works" accounts for the decrease of R. 1146 under "III Establishments"

9. In order to meet "urgent" demands from the Executive Engineer for important works to be undertaken by the Public Works department a sum of Rs. 500/- has been provided under the head

IV. Reserve

10. B. Public works to be executed by the Revenue officers

The allotments for incomplete works of previous years have been omitted. Hence the net decrease

decrease of Rs. 9453. under this head.

11. "III. Hospitals and dispensaries

To meet the charges of bedding and clothing for in-patients in the several Local Fund dispensaries of the district a provision of Rs. 312 is made in the budget, as recommended by the Senior Surgeon.

12. "V Sweepers &c for III class Travellers' Bungalows.

As most of the 3rd class Travellers' Bungalows in the district have to be — supplied with furniture, an increased provision of Rs. 259 has been made for this — purpose. As directed in Government Proceedings No: 11525-34 / Lr. 45-900 dated 11th January 1902, a provision of Rs. 5/- has been made in order to meet the cost of a prize to be award-ed annually to the ser-vant of the best-kept 3rd class Travellers' Bungalow in the district.

13. "VI Conservancy and — sanitary charges."

As the villages of Ramsara and Devasamudra in

the

the Kodaikanal Taluk have been constituted into Municipalities and the village of Kelasole in the Chittaldrug Taluk, has been included within the municipal limits of the Chittaldrug Town the services of the Conservancy establishment employed in those three villages have been dispensed with. Hence the decrease of Rs. 108

14. X Miscellaneous

The decreases provided under the several items of this head being very small, they call for no special remarks.

L.7.10-1902

RECEIPTS

The income under all heads for 1902-03 is estimated at Rs.43360 against Rs.41722, the actuals of 1900-01 and Rs.42600, the sanctioned estimate for 1901-02.

2.1.76 per cent of Local Cess. The President explains that the increase of Rs. 1110 under this head is due to the local cess of one anna per rupee having been ordered to be levied on the amount of the sale of occupancies of lands applied for for cultivation. The estimate is allowed, but the figures entered in column 7 of the enclosure A are apparently incorrect, as instead of showing therein the details of the estimate of 76 per cent of cess, of which the total should correspond with the sum shown in the consolidated Budget statement, the entire

entire total of the cess collections has been shown . The necessary corrections will be made in this office.

3. II.Sale of stray cattle and III Fines for cattle trespass. The increased estimates under these heads are supported by the ~~Actuals~~ actual collections of the past 2 years and are allowed.

+ as compared with the actuals of 1900-901

4. VI.Fees from Travellers Bungalos.

Owing to the conversion of the Inspection lodges at Naikanhatti, Parasgrampur and Jagalur into third class Travellers Bungalos, an increase of revenue is expected under this head. The estimate is passed.

5. VII. Contributions. As contributions are expected towards the cost of wells to be sunk for the benefit of certain villages an increase of Rs.500 is expected under this head .

[This is omitted as according to the revised Budget estimate there is no increase, while increase as compared with actuals is small J. Dy

6. Opening balance. The estimate will be altered from Rs. 13672 to Rs.II493 with reference to the actual balance on Ist July 1901 and the sanctioned estimates for 1901-1902:

8 9. I. Office Establishments. The new item of Rs.60 provided in the present Budget on account of the contingencies in the District Office accounts for increase under this head. This charge was being met hitherto by re-appropriation from other sanctioned Budget grants, but as this is objectionable the provision now made is ~~allowed to stand~~. It is ~~however~~ observed that the amount of the sanctioned estimate for 1901-1902 is given in Enclosure D as Rs.897 whereas in the consolidated Budget statement the same is entered as 957. Such mistakes should be avoided in future.

9 10. III. Hospitals and Dispensaries. In the present budget a sum of Rs.450 is provided as against Rs.138 sanctioned for 1901-1902 on account of bedding and
